

## Directions to Accessibility Resource Center

ARC is located on the second floor of Mesa Vista Hall, which is connected to University Advisement and Enrichment (UAEC). Mesa Vista Hall is a long white building that is north of Student Health and Counseling (SHAC) and east of the Student Union Building (SUB).

### Parking

There is metered parking at the parking lot behind SHAC near the tennis courts, but there are very few spaces and they go quickly. The other closest option is the Cornell Parking Garage, which is just east of Popejoy and near the UNM Bookstore. Both of these options require that you prepay for every half hour of use. If you have an accessible placard, you can park in any unmarked/reserved space without a fee; it does not need to be marked as an accessible space, though there are some accessible spaces available.

### Entry to Building

*Option 1:* If you are approaching the building from the eastern parking lots near the tennis courts, SHAC, Johnson Field, and/or dorm buildings, enter through the UAEC building at the double glass doors (see photo below) and continue into UAEC by keeping right and using the door in the breezeway instead of going through the outdoor courtyard.

There is an elevator and staircase in that large lobby that will bring you to the second level, where you will then be between the Dean of Students Office and Career Services. Proceed toward Career Services and follow the long breezeway to the left of their office, and you will arrive at ARC.

*Option 2:* If you are approaching the building from central campus near the SUB or SHAC, follow the eastern side of the SUB until you see the courtyard on the right with the tall pine trees and rosebushes on both sides of the walkway near a tunnel (see photo below).

You can enter at the northern door to the left of the tunnel in that courtyard and use the staircase to reach ARC on the second floor or continue through the tunnel where you will be in the UAEC outdoor courtyard. From there, enter into the building using the glass doors to your left (see photo below) so that you are in a large lobby area.

There is an elevator and staircase in that lobby that will bring you to the second level, where you will then be between the Dean of Students Office and Career Services. Proceed toward Career Services and follow the long breezeway to the left of their office, and you will arrive at ARC.

**Still needing assistance or an elevator is down?**

If one of the elevators are down or you are unable to find ARC, we welcome you to call our office at (505) 277-3506 so that we can direct you or send out an ARC staff member to escort you to the office.
